Old Business

- A. Budget Hearing Results:** Budget hearing went very well. Too big of a carryover for Roads and Bridges. Merv Miller suggested a new tractor / mower. John Omerza expressed belief that funds could be spent on equipment that could be used for multiple projects – also possible future paving of Shedd Rd.
- B. BWC Safety Grant:** John Omerza has been working with BWC regarding this grant. It will be for a 3 truck tarp system and a skid steer mounted branch saw. He had a follow with BWM today (9/8/25) to do a video for the branch saw.

New Business

- A. Middlefield Bank Signature Cards:** Attention to getting signature cards updated with Middlefield Bank.
- B. Approval of Tax Budget for 2026:** Motion by Merv Miller to adopt Resolution 2025-10 as presented, accepting the rates from the Budget Committee. Schedule A&B reviewed. Seconded by Dave Hauser. All in favor, motion carried, Resolution adopted.

C. Middlefield Village Revenue: Revenue reported. \$72,197.76 collected so far. January - June 2025 was \$4,600.38.

D. Swine Creek Structure Inspection: Property with head wall issue, conduit problem. After inspection it was determined to be a culvert issue. Scored a "4" – rotting / exposed rebar. John Omerza spoke with rep from Philip Miller construction. Proposal prepared and will be getting an estimate. Recommended remove deck, replace, resurface. Could just do the scouring issue but it is like a bandaid. Not the only culvert problem on Swine Creek but it is the biggest problem. Discussion on timing and possible phases of a fix for the abutment. Discussed surface treating Swine Creek C (Tucker Hill to Parkman line) asphalt coat over our grindings to be wearable through winter with a final coat next year.

Reports

Roads: Swine Creek (see above). Cloverdale – crack sealing needs to be done for the project. County road striping project discussed briefly. John Omerza spoke to Parkman, Burton and Troy re: Oglesby county work. Newcomb – Shedd stop bars to be done and stop bars at Georgia – Newcomb. Striping maybe mid-September. Dispose of some of the muck dirt to backfill to level off a few areas around the Township. Discussion on the tree removal issue. H&H Land Clearing tree removal did Hayes in 3 hours. Also did one on Adams Road. Durkee and Chipmunk need to be done yet.

Service Garage: Kenworth is all done. Pickup truck has steering column done. There are some exterior lights to work on. When BWC was here identified a few items to work on, including Bench bench grinder needing.

Fire District: Meeting tonight (9/8/25) per Paul Porter to appoint third member, Mel Miller. 2026 Budget addressed. Signed checks. Contract issues discussed. Next meeting 12/8/25.
